Sir,

Virginia Code §2.2-3704(B)(2) states that when records are withheld in part, the "response shall identify with reasonable particularity the subject matter of withheld portions, and cite, as to each category of withheld records, the specific Code section that authorizes the withholding of the records." I don't see this information in your response. Please provide the required information at your earliest opportunity.

Mr.. Stevenson,

I have not responded due to a few circumstances. First, I was just appointed Chief a couple months ago, and our policy manual is under review and will be revised considerably when finished. I will forward the old manual to you after I am finished redacting personally identifiable information.

Thank you,
Jerry

Subject: FOIA request for records

Pursuant to the Virginia Freedom of Information Act (Virginia Code §2.2-3700 et seq.), I request the policy manual of the Emory and Henry College Campus Police and Security Department.

If the requested records exist in electronic form, I ask that they be supplied in that format to this e-mail address. I ask that all fees for this request be waived, because the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of a law enforcement organization. If you intend to impose any fees, I ask that you supply a cost estimate prior to the production of any records.

Sincerely,

Aaron Stevenson
