Chief Fowler,

I haven't heard back from you since this last message. Are you able to upload the file using the latest link I provided?

No, but I think that's my fault—I should have sent you the following link instead of the one I sent:

<https://www.dropbox.com/request/rhyFpSf037eBoczDM5jM>

Could you please give that one a try?

I believe it should be there now. I am not a dropbox user so please let me know if it came through.

What's the size of the file? I could also accept the record through a Dropbox file request or something along those lines.

Mr. Stevenson,

I have attempted to send the record requested to this email address and it will not accept the file size associated with the record. I had the same problem the last time you requested. If you would like to receive a hard copy of this file by mail please let me know and I will provide you an estimate of the cost to do so.

Thanks You

Subject: FOIA request for records

Pursuant to the Virginia Freedom of Information Act (Virginia Code §2.2-3700 et seq.), I request the policy manual of the Hampden-Sydney College Department of Security and Police.

If the requested records exist in electronic form, I ask that they be supplied in that format to this e-mail address. I ask that all fees for this request be waived, because the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of a law enforcement organization. If you intend to impose any fees, I ask that you supply a cost estimate prior to the production of any records.

Sincerely,
Aaron Stevenson
